Supplied internally geared turntable ø944mm	Iron Ore stacker - slew bearing replacement consulting - Whyalla, SA
Supplied 2 x Favco 5T crane slew bearings - ø1,380mm double ball bearing	BWR - slew bearing replacement - consulting - Blackwater, QLD
Supplied 16/500 turntable	Favco 5T crane inspection - Brisbane, QLD
Supplied SR160K - ø1,635mm - Thickener slew bearing and pinions	Iron Ore Stacker - in-situ slew bearing survey - ø2,396mm four point contact - Whyalla, SA
Supplied 5 pcs ø675mm thickener slew bearing	Liebherr R996 slew bearing inspection - Newcastle, QLD
Supplied 2 pcs Module 40 pinions 1T each for Bucket Wheel Reclaimer	Consulting on ø8,000mm slew bearing - machine, lift, inspect, clean, repair - change management - Bowen, QLD
Supplied 10.9 grade bolts for BWR slew bearing	All-terrain crane - rollover - accident inspection - Brisbane, QLD
Supplied Demag AC205 slew bearing	Delivered MEM18.5 bearing training course - QLD
Supplied a double ball ø864mm slew bearing	BWR Reclaimer - machine lift and bearing replacement - technical support - Blackwater, QLD
Supplied SR280 - ø2,768mm externally geared four point contact - Thickener slew bearing	Inspected 3 x ø5,000mm triple roller crane grabs - Colombia, South America
Supplied various thickener pinions	Terex RT775 - slew bearing inspection & advice on overhaul options - Brisbane, QLD
Supplied KLK650L turntable	Malco stacker in-situ slew bearing wear survey - Moranbah , QLD
Supplied 2 x internally geared ø841mm turn tables	Favco 30T crane - in-situ slew bearing inspection - Brisbane, QLD
Supplied 4 pcs ø675mm thickener slew bearing	Voerst Alpine slew bearing inspection - 6,700mm combi slew bearing - Newman, WA
Supplied SR160K - ø1,635mm - Thickener slew bearing and pinions	Kawasaki SR1 Reclaimer cannon ball 8,000mm slew bearing in-situ wear survey - Bowen, QLD
Supplied KLK650L turntable	2 x Stackers and 2 Ship loaders - in-situ wear survey - Weipa, QLD
Supplied rolling elements, spacers and seal for overhaul project	Schade stacker in-situ wear survey and spare slew bearing inspection and re-wrap - Blackwater, QLD
Supplied SR280 - ø2,768mm externally geared four point contact - Thickener slew bearing & pinions	Kawasaki 2,500T/H BWR - in-situ wear survey of 5,280mm combi slew bearing - Blackwater, QLD
Supplied KLK400L turntables	Inspection of 5,000mm combi slew bearing - Mackay, QLD
Supplied 1 off SR160K - ø1,635mm - Thickener slew bearing	Kawasaki 2,500T/H BWR - in-situ wear survey of 5,280mm combi slew bearing - Blackwater, QLD
Supplied 2 off SR280 - ø2,768mm externally geared four point contact - Thickener slew bearing	Inspection and RCA of 2,100mm double ball wind turbine pitch slew bearing - Barossa, SA
Supplied KLK650L Turntable	Ship Loader in-situ slew bearing survey - 2,750mm combi bearing - Brisbane, QLD
Supplied 4 x slew bearings for a special trailer application, ungeared 4-point contact PCD 762mm and 1250mm	Engineering support for a housing project - VIC
Supplied 1 off SR160K - ø1,635mm - Thickener slew bearing	2 x R996 failure analysis inspection reports - Newcastle, NSW
Supplied 1 off SR280 - ø2,768mm externally geared four point contact - Thickener slew bearing	4 x Schade stacker in-situ slew bearing inspections - Blackwater, QLD
Supplied 3 off pinions to suit SR160K - ø1,635mm - Thickener slew bearing	Survey and re-torque slew ring bolts on ship crane - Brisbane, QLD
Supplied 3 off SR280 pinions - ø2,768mm externally geared four point contact - Thickener slew bearing	Debarker slew bearing inspection and overhaul - new cage, regrind - Brisbane, QLD
Supplied 4 off SR130 pinions	Shiploader 5,000mm triple roller in-situ slew bearing survey - Gladstone, QLD
Supplied 6 off SR280 pinions - ø2,768mm externally geared four point contact - Thickener slew bearing	Tapered roller bearing inspection - Brisbane, QLD
Supplied 1 off cross roller slew bearing PCD 675mm - Thickener slew bearing	O&K iron ore stacker - in-situ slew bearing inspection - Whyalla, SA
Supplied rolling elements, spacers and seal	1 x Schade stacker in-situ slew bearing inspection - Blackwater, QLD
Supplied a cross roller bearing PCD 307mm - crane	Excavator RCA - Middlemount, QLD
Supplied 1 off SR160K pinion gear - ø1,635mm - Thickener slew bearing	2 off Malco stacker slew bearings 3,000mm cross roller in-situ wear survey - Moranbah, QLD
Supplied 1 off SR280 slew bearing and 3 pinion gears - ø2,768mm externally geared four point contact - Thickener slew bearing	21T barge crane 10 yearly slew bearing inspection - Archerfield, QLD
Supplied 1 off KLK1050N turntable	Slew bearing training course - Brisbane, QLD
Supplied 1 off SR130 slew bearing and 4 off SR130 pinions - Thickener slew bearing	Entertainment ride in-situ slew bearing survey - Gold Coast, QLD
Supplied 1 off externally geared 71 series slew bearing PCD 844mm	5,000mm Slew bearing dredge - consulting service
Supplied 3 off precision cross roller slew bearing for a radar application - PCD1,000mm	TBM reconditioning of a slew bearing - Brisbane, QLD

## Slew Bearing Services Pty Ltd - Projects:

Product:	Service:
Supplied 1 off SR130 slew bearing and 4 off SR130 pinions - Thickener slew bearing	Shiploader 5,000mm triple roller in-situ slew bearing survey - Gladstone, QLD
Supplied 1 off SR130 slew bearing and 4 off SR130 pinions - Thickener slew bearing	EWP slew bearing inspection
Supplied 1 off cross roller slew bearing PCD 1,116mm - coal loader	Ship Loader in-situ slew bearing survey - 2,750mm combi bearing - Brisbane, QLD
Supplied 1 off 16/400 turntable	Inspection and RCA of 2,100mm double ball wind turbine pitch slew bearing - Dandenong, VIC
Supplied 2 off PCD 450mm slew bearings	Lift Study and slew bearing replacement proposal - Shiploader 5,000mm triple roller slew bearing - Gladstone, QLD
Supplied a cross roller bearing PCD 307mm - crane	Consulting and service work for a client in NZ
Supplied 1 off PCD 179mm and 289mm slew bearings	Kawasaki 2,500T/H BWR - in-situ wear survey of 5,280mm combi slew bearing - Blackwater, QLD
Supplied 2 off PCD 644mm and 944mm light section turntables	FAM BWR SR4 in-situ wear survey of 6,700mm combi bearing - Abbott Point, QLD
Supplied 1 off externally geared PCD 1,094mm turntable	Installed a 2,660mm double ball slew bearing on a barge crane
Supplied 1 off special high temperature slew bearing to a Steel application in India	Consulting and service work for a client in NZ
Supplied 5 off SR130 thickener slew bearings - India	Weather radar slew bearing inspection - Redbank Plains, QLD
Supplied 2 off cross roller PCD 675mm slew bearing - India	Inspection and RCA of 3 x 2,100mm double ball wind turbine pitch slew bearing - Dandenong, VIC
Supplied 1 off ship loader shute double ball slew bearing PCD 1,250mm	Consulting for in-situ bearing replacement for a radar application
Supplied 1 off externally geared four point contact slew bearing PCD 980mm	2 x Malco stackers in-situ slew bearing wear survey - Moranbah, QLD
Supplied 1 off ungeared four point contact slew bearing PCD 700mm	O&K iron ore stacker - in-situ slew bearing inspection - Whyalla, SA
Supplied 1 off externally geared double ball slew bearing OD 2,660mm for a barge crane F750	4 x Schade stacker in-situ slew bearing inspections & spare re-wrap - Blackwater, QLD
Supplied 1 off slew drive PCD 341mm for solar array	Reconditioning of a AICHI SC400 mobile tower slew bearing
Supplied 1 off cross roller slew bearing PCD 675mm to a customer in Finland	Insitu lift and bearing replacement of a radar
Supplied 1 off ungeared four point contact slew bearing PCD 944mm	Flatness survey of the Wipeout ride
Supplied 1 off slew drive PCD 421mm	Ship Loader in-situ slew bearing survey - 2,750mm combi bearing - Brisbane, QLD
Supplied 1 off SR160 slew bearing and 4 pinion gears - Thickener application	Inspection and RCA of 1 x 2,100mm double ball wind turbine pitch slew bearing - ACT
Supplied 6 off externally geared slew bearing PCD 179mm for a demolishing robot in Sweden	Engineering report of failed angular contact ball bearings
Supplied 1 off slew drive PCD 223mm to a customer in France	Radar housing and sealing spacers and modifications
Supplied a cross roller bearing PCD 307mm - crane	Inspected and repaired a slew bearing OD 1,604mm
Supplied 2 off internally geared slew bearings PCD 1,255mm for car die project	Engineering report - GE bearings
Supplied 1 off externally geared slew bearing PCD 289mm for a piling equipment	Waveswinger in-situ slew bearing inspection - Palmwoods, QLD
Supplied 2 off slew bearing for Oil and Gas application - triple roller bearings PCD 1,900mm and 3,955mm	Octopus in-situ slew bearing inspection - Palmwoods, QLD
Supplied 1 off slew bearing PCD 862mm and pinion	In-situ replacement of a lip seal in Bucket Wheel Reclaimer slew bearing
Supplied 1 off slew drive PCD 223mm for a solar array project	RH340 slew bearing inspection/RCA
Supplied 1 off SR130 slew bearing and 2 off SR130 pinions - Thickener slew bearing	RH340 and EX3600 in-situ slew bearing deflection surveys
Supplied 1 off SR130 pinion to a client in Canada	Inspection and rewrap of 6,400mm combi bearing
Supplied 2 x cross roller bearing PCD 823mm to the Philippines	Excavator slew bearing inspection - OD 3,490mm
Supplied 2 x customised double ball bearing for a radar	Ship Loader in-situ slew bearing survey - 2,750mm combi bearing - Brisbane, QLD
Supplied 2 x slew bearings for a steel customer in Taiwan	Reconditioning of A1540A3 Concrete pump slew bearing
Supplied 2 x slew bearing for Oil and Gas application - triple roller bearings PCD 1,900mm and 3,955mm	Inspected and re-wrapped a 3,000mm slew bearing - Bunbury, WA
Supplied 1 x SDL04 slew drive to a customer in France	Engineering recommendation for the installation and maintenance of fasteners
Supplied 1 x slew bearing OD 1,924mm to a customer in Canada	Reconditioning of a double ball PCD 2,200mm tower crane slew bearing - QLD
Supplied 1 x slew bearing for a Potain crane	Reconditioning of concrete pump slew bearing - QLD
Supplied 1 x PC220-7 slew bearing	Reconditioning of a Flowcrete pump slew bearing - WA
Supplied 2 x SR130 slew bearings to a client in India	EX5500 slew bearing deflection survey - QLD
Supplied 1 x double ball bearing OD 3,500mm for a stacker - Steel customer in India	Debarker slew bearing OD 1,400mm inspection and overhaul - new cage, regrind - Brisbane, QLD
Supplied 4 x slew bearings for a demolition robot in Sweden	Schade coal stacker slew bearing in-situ wear survey - Middlemount, QLD
Supplied 1 x slew bearing for an Aluminium processing plant application	Shovel slew bearing RCA
Supplied 1 x slew bearing OD 1,604mm for an entertainment ride	
Supplied 1 x 2,500mm cross roller bearing for a steel recycling grab crane	
Supplied 5 x PCD260mm slew bearing for entertainment ride in Canada	
Supplied 1 x obsolete Hiab 150 Mk 3 slew bearing	
Supplied 2 x cross roller bearings PCD 979mm to customer in Perth	
Supplied 2 x cross roller bearing PCD 979mm for a flange facing machine in Gladstone	

## Slew Bearing Services Pty Ltd - Projects:

Product:	Service:
Supplied 15 x cross roller slew bearing PCD 675mm for a thickener application	
Supplied 5 x ungeared ball bearings PCD 260mm	
Supplied 2 x cross roller bearings for a timber harvesting machine in Victoria	
Supplied 1 x series 70 turntable PCD 414mm	
Supplied 1 x slew drive PCD 223mm for a client in Emerald	
Supplied 1 x series 60 turntable PCD 644mm	
Supplied 1 x slew bearing PCD 289mm	
Supplied 5 x certified forgings PCD 4,000mm	
Supplied 1 x series 100 slew bearing PCD 1355mm for garage turntable	
Supplied 2 x cross roller slew bearing PCD 823mm	
Supplied 2 x series 70 slew bearings PCD 644mm	
Supplied 2 x SR160 ring gears for a client in India	
Supplied 1 x series 100 slew bearing OD 1600mm	
Supplied 1 x slew drive PCD 421mm	
Supplied 1 x series 60 externally geared slew bearing PCD 841mm and pinion gear to suit for a winch application	
Supplied 1 x series 60 turntable PCD 944mm	
Supplied 1 x slew drive PCD 223mm	
Supplied 1 x KLK1050N turntable	
Supplied 1 x series 60 turntable PCD 944mm	
Supplied 1 x series 60 turntable PCD 414mm	
Supplied 1 x slew drive PCD 341mm	
Supplied 1 x series 100 slew bearing PCD 1255mm and pinion gear	
Supplied 2 x series 60 slew bearings PCD 644mm	
Supplied 1 x WEA9 slew drive	
Supplied 1 x underground drilling rig slew bearing PCD 490mm	
Supplied 10 x PCD 179mm slew bearings for a demolishing robot in Sweden	
Supplied 1 x OD 2,500mm tower crane slew bearing
